

Repositioning Sling

Reusable & Single Patient Use

Innovative Products For Your Transferring Needs!!

These patient slings are the equivalent of the best of the competitors' products in the marketplace – they're just more competitively priced.

Pinnacle offers two sizes in both reusable and single patient use materials. Our strap design allows for a safe efficient method of attaching to the hanger bar of the lift. Designed for safe and easy use with a patient allowing for improved compliance with protocols.

Used for repositioning, turning, boosting and transferring a patient.
