

Slide Sheets

CONTINUOUS TUBES

Innovative Products For Your Transferring Needs!!

These patient slings are the equivalent of the best of the competitors' products in the marketplace – they're just more competitively priced.

The New 100% Breathable Slide Sheet Material is substantially superior and will retain the sliding properties, even after 20 washes.* Offers and easy, smooth application with a fast slide. The sheets are also anti-microbial, water repellent, and anti-static.

*Based on recommended laundry (wash and dry) and care instructions.
